proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such notice to be published as follows:—

In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, together with the notices published. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If a copy of the Bill, Petition and notices shall not have been so deposited in the hands of the Clerk of the House at least eight days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by rule 59, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a draw-bridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

65. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10½ inches by 7½ inches. One hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

MAPLE RIDGE BY-LAWS.

BY-LAW No. 134.

A By-Law to authorise the sale by public auction of all land or real property or improvements within the Municipality on which taxes are in arrears for two years prior to the passage of this By-Law.

WHEREAS it is necessary and expedient that provision be made for the recovery of taxes in arrears for two years prior to the passing of this by-law, owing to the Municipality, by sale at public auction by the Collector of the lands or real property or improvements upon which such taxes have been levied, or so much thereof as shall satisfy the amount of said taxes and interest and costs of and incidental to such sale:

Be it therefore enacted by the Reeve and Council of the Municipality of Maple Ridge as follows:—

1. It shall be lawful for the Collector of the Municipality of Maple Ridge to sell at public auction, as hereinafter mentioned, all land or improvements or real property upon which taxes are in arrears for two years prior to the passing of this by-law.

2. It shall be lawful for the Municipality to purchase any real property included in such sale when the highest price offered thereat is less than the amount of such arrears and costs.

3. The said Reeve and Council hereby appoint E. W. Beckett and A. L. Lazenby, of the Municipality of Maple Ridge, to prepare a list of such land and real property and improvements for the purpose of such sale, pursuant to the provisions of sub-section

131 of section 50 of the "Municipal Clauses Act, 1896," and their remuneration therefor shall be the sum of one hundred and fifty dollars.

4. Such list shall be duly authorised by the Clerk of the Municipality affixing the corporation seal to the same, and the Reeve affixing his signature, and the said Reeve shall also, under his hand and the seal of the said Municipality, issue to the said Collector a warrant directing and commanding him, if the said taxes are not paid, to sell the lands and real properties and improvements included in such list, as hereinafter enacted.

5. A copy of such list, authenticated as aforesaid, and with such warrant appended thereto, prior to such sale shall be published for one calendar month in the British Columbia Gazette and in the Weekly Columbian, a newspaper published in the City of New Westminster, B. C., and circulating in the said Municipality. A copy of such list shall also be exhibited continuously for one calendar month before such sale in the hall of the said Municipality at Port Haney.

6. One calendar month's notice of such sale shall be given to the registered owners and to the persons assessed for such land and real property and improvements, and a notice in the form set out in the schedule hereto, duly prepaid, posted at the post office at Port Hammond, and addressed to the last known place of residence of each of such persons, or their agents, shall constitute a good and sufficient notice of such sale.

7. The Collector shall not before effecting, or attempting to effect, such sale be bound to inquire or ascertain whether any distress is on any of the properties included in such list, or any part thereof, or as to the value of the same.

8. The said lands and real properties and improvements for which such taxes are in arrears shall be sold by the Collector of the Municipality for cash forthwith by public auction, at the Municipal Hall, Port Haney, on the 16th day of April, A.D. 1898, at the hour of 10 o'clock in the forenoon.

9. If the purchaser of any land or real property or improvements fails immediately to pay to the Collector the amount of the purchase money therefor the Collector shall forthwith re-offer the said property for sale.

10. If at any time appointed for any sale hereunder no bidder appears, or shall the bidding in any case be insufficient to satisfy arrears and costs, the Collector may, in his discretion, adjourn the sale from time to time and the place, as he may think fit, without further notice, and at any such adjournment the Collector may, if he thinks fit, sell such lands or real property or improvements for such sum as he can realize, and the balance, or whatever amount may not be realized of the said arrears and costs, shall remain as a charge against the said land or real property or improvements in the same manner as ordinary municipal taxes.

11. Immediately after such sale or adjourned sale as aforesaid the Collector shall return a list of the arrears satisfied by such sale to the Clerk of the said Municipality, and shall at the same time pay in the proceeds thereof to the Treasurer of the said Municipality.

12. The Collector shall be entitled to a commission of ten per cent. on all arrears of taxes collected by him, and such commission shall be included in the respective costs set out in the list first mentioned in paragraph three hereof.

13. Nothing herein contained to the contrary notwithstanding shall affect the right of the said Municipality to recover the said arrears or taxes, or any part thereof, with interest and costs, as provided by the said "Municipal Clauses Act, 1896," and any by-law passed by the Municipality in pursuance thereof.

14. The said Collector shall conduct such sale in manner following, that is to say, he shall first offer the whole of the land or real property or improvements for the amount due, as shown on the list first mentioned in paragraph three hereof, and any person shall be at liberty to offer to take any part of the lands or real property or improvements and pay therefor the whole amount due as aforesaid, and the person who offers to pay the said amount for the smallest portion, by admeasurement, of the lands or real property or improvements shall, after three calls, be deemed to be the purchaser thereof, subject as hereinafter mentioned.

15. In the event of any offer not being made for the whole of any real property to an amount sufficient to cover the sum set forth in the said list, the Collector shall be at liberty to knock down at such auction the same to the highest bidder, and it shall be lawful for the Municipality to purchase any of the said real

property at a sum equal to that offered by the said highest bidder by resolution at any time within one month from the date such real property shall be sold.

16. The Collector shall for all properties sold which the said Municipality shall not purchase, as mentioned in the last preceding clause hereof, at the expiration of a calendar month after such sale or adjournment at which the property in question shall be sold, deliver to the purchaser a certificate under his hand in the form and to the effect prescribed by section 150 of the said "Municipal Clauses Act, 1896."

17. This by-law shall take effect and come into force on the 13th day of January, A.D. 1898.
